Measuring:

Hardship Measuring: Sherry Crowe has offered to perform hardship measuring at the show. If you have a horse that measures 34" or under and meets all the AMHA hardship rules, please see the rule book for details. If you are interested, you **MUST** fill in the entry form or contact the show manager by May 15th. Hardship measuring will be Sunday after the completion of the show.

PA System:

It is a courtesy of the facility to provide show announcements at the barns. We will certainly try to have that service working the days of the show. But due to circumstances, we may not make this happen. Exhibitors are responsible to be on time for classes. We will be using a two-minute gate call. Please check in with the gate official when you arrive so we can keep the show moving.

Registration Papers:

A copy of AMHA registration papers (front and back) must be included with your entry form. Your horse will not be entered without registration papers except for weanlings. All paperwork must be up to date. Gelding status must have their status documented on the paperwork in order to show in gelding classes. Stallions that are 3 years old **MUST** have a stallion certificate with the entry paperwork.

Coggings/Health Papers:

Coggins and Health Papers are required by the state and the facility. Please note that requirements for out of state horses differ from in state horses. All out of state horses must have a 30-day health paper. Please follow current Kentucky State regulations requirements for coggins and health papers. For current state requirements, contact the Kentucky Department of Agriculture at 502-573-0282.

Youth and Amateur Requirements:

Copies of 2026 Youth and Amateur cards are required with show entries. Both your and amateur applications will be available at the show office at AMHA rates. These will be sent to the organization and a card will be issued to the exhibitor. Please if you have a current 2026 card – include a copy with your entries!

Youth High Point Award will be given by ARL Miniatures – Abi Lauria, Ruby & Kathryn Faulner & Karen Riley

Add/Scratch Class Policy:

Show Management prefers that all drop/adds be done before the start of the show each day, but the minimum time would be 15 classes prior to the class in question. This gives us time to reprint class sheets for gate and center ring staff. Transfers of classes will not incur late fees and will be considered a "was". Change of handler in amateur and youth classes must meet all requirements for those classes.

Entry Deadlines:

Entry deadline is May 28th . All entry forms, copies of BOTH sides of registration papers of each horse, copy of youth and amateur cards, copy of measurement cards as accepted by AMHA, and check or money order for payment of all appropriate fees sent to Show Management. Checks should be written to Bluegrass Miniature Horse Club, sent to Lisa Leonard 2900 Russell Road, Utica, KY 42376. Any questions should be emailed to MiniCedarsShowManagement@outlook.com or call or text 270-929-6292 (cell). If entries are emailed or sent by Facebook Messenger, you will receive confirmation that entries have been received.

Post entries:

Late entries postmarked after May 28th. will be charged post entry fees as listed on entry form. The Show Office will close each day approximately 30 minutes before the show each morning to complete final preparations. Any Adds, and Scratches must be recorded with show secretary before start of show or at least 15 classes before the add so accurate class sheets can be prepared.

Stalls/Arena:

Any stall used must be paid for even for storage, tack, etc. Stalls are \$55 for the weekend (two horses maximum). Barns have overhang on each side for protection. There are wash bays at each end of the barns and in the make-up area. The Arena is air-conditioned with concrete wall around the ring. We will shorten the ring using gates to help folks move into cooler space and better see the classes as they are being conducted.

Any exhibitor who wishes to be stabled with another friend or farm, please include that information on the entry form. Based on the number of stalls needed, this could impact your location in the barns. Show Management will work with you as needed. If any exhibitor has physical impairment that needs consideration, please include that information as well. You may show from your trailer rather than using a stall.
